**Garden Route District Municipality,
the leading, enabling and inclusive
district, characterised by equitable and
sustainable development, high quality
of life and equal opportunities for all.**

1

Continue and accelerate collaboration and cooperation among all district skills development role players.

2

Ensure that skills development leverages digital infrastructure as far as possible to ensure learning and process methods are and remain cutting edge.

3

As far as possible, link skills development to investment and economic development opportunities to the advancement for all.

4

Ensure that all skills development processes in the Garden Route always proactively consider renewable energy.

5

Engage with all willing partners, in particular the Sector Education and Training Authority (SETA) and the National Skills Fund, to explore the development and implementation of projects across the District.

6

Consider and leverage local skilled people, including retired people, within the District, to accelerate the growth of the GRSM.

7

All public and / or private skills development projects and/or programmes in all municipalities are acknowledged, recorded on GRSM online solution and supported within resource limitations.

8

Progressively support the development of the new apprenticeship of 21st Century (A21) in the District.

9

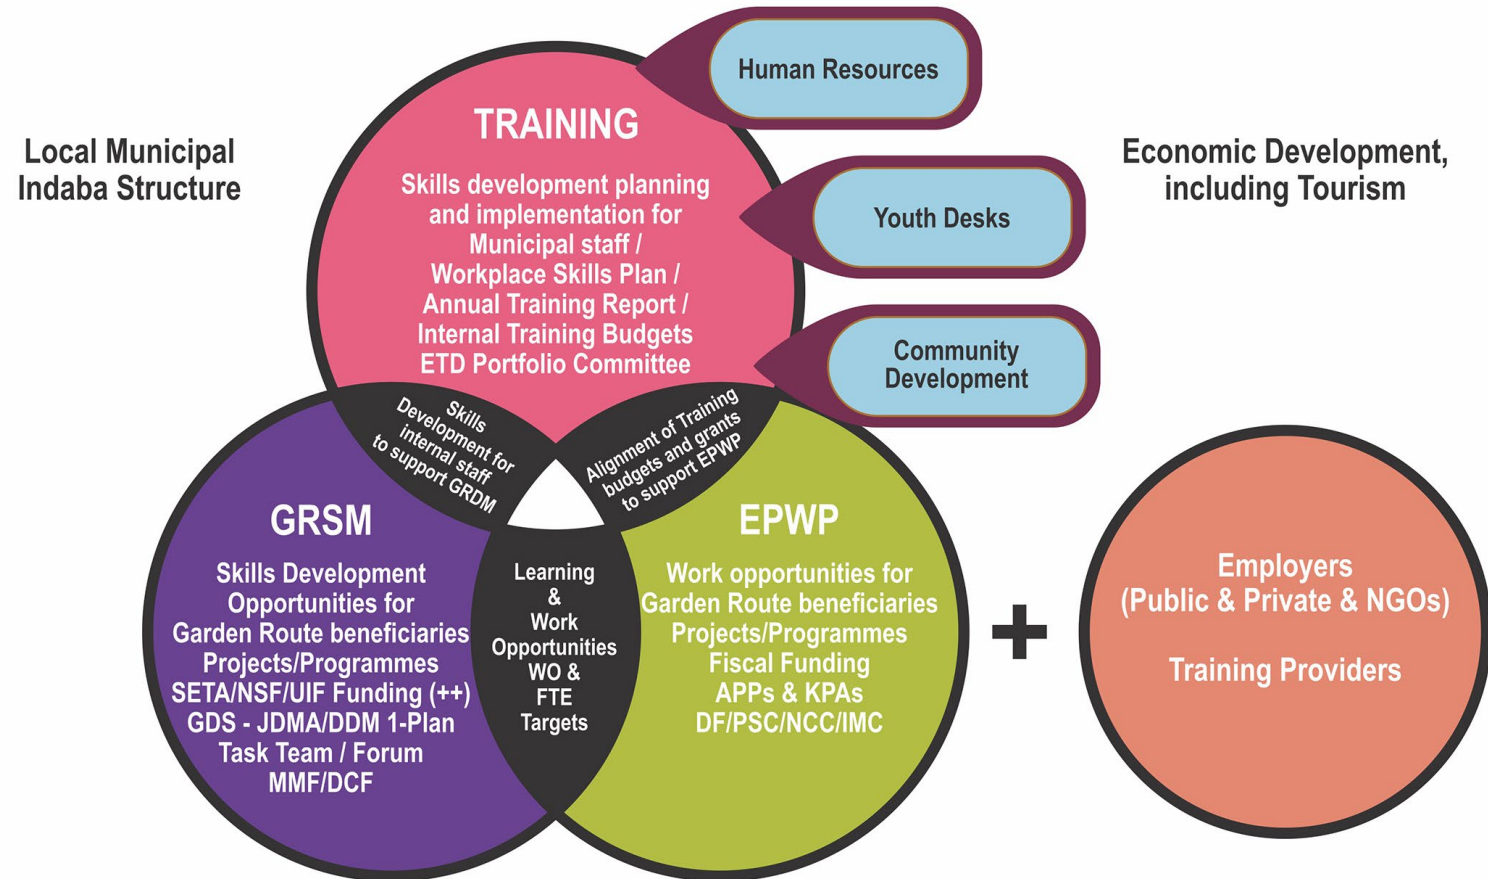

Budget, plan and implement a Skills Summit that is held in a different local municipality rotationally and alphabetically.
